

INSIGHTS THE MIND OF A CHILD IN TODAY'S WORLD

Insights OFFER 2025

How to support children using
language which is easier to access in the moment

- Simple words and tips throughout
- Practical advice and guidance for parents, nursery workers and anyone supporting the child
- 3-hour workshop on how to apply to your situation
- An example using a specific child can be brought as a case study for open discussion

Other issues can be covered as a bespoke package when raised in advance of session.
